Work Experience

Nutripair

May 2023 - Present

Product Manager

- Led a team of 9 developers, as the only PM hire, to the team's second round of beta testing
- Crafted product timeline to prioritize features and realign teams, cutting the time to MVP by 30%
- Organized and spearheaded 7 sprint planning meetings and the creation of 3 key product specs
- Utilized research skills to create revenue estimates for pitches and accelerator applications, and user estimates for deployment guidelines and MVP strategy rollout
- Directed a demo day with startup advisors to garner valuable feedback on timelines, progress, and user testing goals

Mount Yale Capital Group

May 2022 - August 2022

Summer Analyst

Bloomington, MN

- Tasked with providing 6 valuable research and due diligence reports to the investment team contributing to wealth management and private equity projects
- Completed due diligence white papers, investor reports, and presentations that were delivered directly to head analysts for use in active trading strategy and fund divisions managing \$3bn
- Researched and formed a final equity recommendation presentation for a 10mm+ addition to the company portfolio

Tribioscience

June 2020 - October 2020

Research and Data Intern

Sunnyvale, CA

- Compiled data and wrote 10+ safety data sheets and procedures for several complex bio-products, assays, and potentially dangerous materials created in-house for use in other biological labs
- Contributed to the company website and internship program via strong interdisciplinary skills, creation of chemical descriptions and important news updates related to company research

Extracurricular Experience

Brookings Endurance Collective

Present

Club Founder and Distance Runner

St Louis, Mo

- Qualified for the Boston Marathon at 18, leading to a PR of 2:49:00 and 4th-place junior(under 20) finish at the 2023 Boston Marathon, training with a personally crafted 14-month plan.
- Founding a new running club focused on team training at Washington University to support committed distance runners who are not interested in pursuing varsity sports.
